Blessings of the Season be yours

We're only a couple of 'sleeps' away from Christmas now. As I was thinking about the Season and what it means today, I realised that when I take the "Christ" out of Christmas, I am left with "M-A-S" which has translated in the lead-up to The Day as "Mayhem And Silliness"! Hands up who can relate?

The traditional Christmas Story sometimes comes across as mayhem and silliness. Who would believe that a baby, amidst the mayhem and chaos of stabled animals, crowds and supernatural beings, would be anything but normal - silliness indeed!

But the things that most of us like, even treasure, about Christmas, love, family, laughter, caring, giving, receiving, connection, are actually all embodied in the Christmas Story of a God who loved the

World so much that He sent His Son to represent His heart for Family and Connection, and bring the best of everything in life. A settling thought as we complete the countdown. So on that note, Barry and I pray that the richest Blessings of the Season be yours!

We are excited about the summer ahead. One of those blessings for me has been the wonderfully hot Summer days (having grown up in tropical Australia)!!! I hope that you'll get to enjoy the great events and activities happening over our peak time. Check out the Pauanui Summer Series booklet and the Tairua Summer Planner booklet for the details.

May the sun shine, the water be warm (or cold, for when we need to cool off!!), and may we all enjoy a Merry and Blessed CHRISTmas!

Haere mai Huntington Patrol

Way back in July a group of Tairua Surf Life Saving Club's junior lifeguards completed their leg of the Huntington Beach Junior Lifeguard Exchange in California, experiencing life-guarding US-style. Now it is the turn of the Huntington Beach team to visit Tairua. They will be here from 26 December until 1 January.

Gabby Hughes, Club Captain and Lifeguard Development Coordinator said, "To say we're excited is an understatement!" Having been involved in the Huntington Beach – Tairua exchange herself, as a junior and now an organiser, she is very aware of the benefits the exchanges bring, to both Clubs.

Tairua lifeguard Zoe Winter, who travelled to Huntington in July, said, "The exchange will be incredibly rewarding and will expose the Huntington lifeguards to a completely different environment. Our trip to the United States earlier this year was an amazing experience, and I hope we can provide them with the same here, as our beaches offer much more diverse conditions."

Many of the group coming to Tairua were involved directly

in the exchange mid-year, hosting our lifeguards. Zoe explained, "During our trip, we built strong connections—not only within our Tairua and Piha group but also with our host families. Saying goodbye was emotional, and it's clear that the final part of this exchange will be just as bittersweet."

The Huntington group has a busy schedule planned for them. They will learn about the New Zealand operational procedures, complete their Surf Lifesaving Award, help with the Junior Surf Programme and help on patrol. In their down time, they will get a chance to explore Tairua, make the obligatory trek to the top of Paku, swim from Shoe Island, and spend time on Slipper Island.

As a town we can help to make the Huntington guests feel welcome. They will be recognisable around and about in their uniforms. So keep your eyes open for them and be sure to give them a warm Kiwi "Haere mai" welcome. We want them to go home filled with the same excitement that was obvious in our youngsters when they returned from their trip!
